SUBJECTS INCLUDED IN NET WITH WEIGHTINGS

NUST Entry Test has been categorized into different types, based on academic background as well as the programme applied. The standard defined streams in academic background (HSSC / Equivalent) are as follows:

- **Pre-Engineering group** refers to candidates having a subject combination of **Mathematics, Physics & Chemistry** only.
- **Pre-Medical group** refers to candidates having a subject combination of **Biology, Physics & Chemistry** only.
- Intermediate of Computer Science or **ICS group** refers to candidates having a subject combination of **Mathematics, Physics & Computer Science** only.

NET-Engineering (HSSC Pre-Engg / Pre-Med* / ICS / equivalent)

Mathematics	**50%**
Physics	**30%**
English	**20%**

- The test is for candidates seeking admission in all **Engineering** or **Computing Programmes**.
- Such candidates can also opt for admission in **BS Bioinformatics, BS Mathematics, BS Physics, BS Chemistry and BS Food Science & Technology** programmes without payment of additional registration fee and appearing in a separate NET.
- Candidates having **Pre-Engineering with Additional Bio** OR **Pre-Medical with Additional Math** OR equivalent, applying for **Engineering** or **Computing Programmes** will appear in **NET-Engineering** paper.
- * Candidates of **Pre-Medical group** / equivalent qualification applying for **Engineering programmes** without taking additional math exam will appear in **NET-Engineering paper**. However, it is **mandatory** to clear the condensed Mathematics course of 8 x weeks offered by NUST, prior to admission. To register for the course, please visit https://connected.nust.edu.pk/enrol/index.php?id=186.
- * Candidates of **Pre-Medical group** / equivalent qualification applying for **Computing Programmes** without taking additional math exam will appear in **NET – Engineering** paper.
- Candidates having HSSC / equivalent with **Mathematics** as one of the major subject applying for **Computing Programmes** will also appear in **NET-Engineering** paper.

NET-Applied Sciences (HSSC Pre-Medical group / equivalent)

Biology	**50%**
Chemistry	**30%**
English	**20%**

- This test is for candidates having **Pre-Medical** background (with or without Additional Math) applying in **BS Biotechnology / BS Environmental Science / BS Agriculture / BS Food Science & Technology / BS Bioinformatics / BS Chemistry**.

NET-Business Studies & Social Sciences (HSSC with any combination / equivalent)

Quantitative Mathematics	**50%**
English	**50%**

- The test is for candidates seeking admission in BBA / BS Public Administration / BS Mass Communication / BS Economics / BS Psychology / BS Accounting & Finance / LLB / BS Tourism and Hospitality Management / BS Liberal Arts & Humanities

Mathematics	**30%**
English	**20%**

- The test is for candidates seeking admission in B Architecture / B Industrial Design only.
- # Guidelines to prepare for Design Aptitude Test are: https://sada.nust.edu.pk/in-the-spotlight/design-aptitude-net-guidelines/

NET- Natural Sciences (HSSC / equivalent)

Mathematics	**50%**
English	**50%**

- This test is for candidates seeking admission in **BS Mathematics, BS Physics, or BS Chemistry only** as per the defined eligibility criteria and having an **academic background other than the standard defined streams.**
